Neeta Delaney, Director
Community Foreclosure Coalition
Community Action Agency
1214 Greenwood
Jackson, MI 49203

Dear Ms. Delaney,

The ORGANIZATIONAL NAME enthusiastically endorses the creation of the *Community Foreclosure Coalition* and supports its work of developing and implementing a broad-based, coordinated strategic community response to the housing foreclosure crisis in Jackson, Lenawee and Hillsdale counties. We further endorse the coalition's strategic priorities as listed below and will work to address these priorities in whatever ways are both helpful to the coalition and in keeping with our organizational purpose.

Strategic Goals:

- Prevention: Keep people in their homes and reduce the number of foreclosures.
- Intervention: Help families recover from foreclosure.
- Stabilization: Stabilize neighborhoods with high concentrations of foreclosures and prevent foreclosures from destabilizing sound neighborhoods.
- Reinvestment: Put properties back into productive use.

Please consider us a *Supporting Partner* of the Community Foreclosure Coalition. We look forward to working together on responding to this crisis and are hopeful that our joint efforts will focus both the attention and resources a crisis of such magnitude and complexity demands.

Sincerely,
